DEBARMENT OF JOEL ANDERSON AND CHICAGO ELITE VOLLEYBALL CLUB

THE CHIEF ADMINISTRATIVE OFFICER REPORTS THE FOLLOWING RECOMMENDATION:

That the Board of Education of the City of Chicago ("Board") permanently debar Joel Anderson and Chicago Elite Volleyball Club ("Respondents") from doing any business with the Board.

Following the Office of the Inspector General's recommendations in Report 15-01073, the Board's Chief Procurement Officer served Respondents with a Notice of Proposed Debarment ("Notice") on September 14, 2016, initiating a debarment proceeding against them, based upon Respondents' failure to enter into rental contracts with Whitney Young High School, Walter Payton College Prep and the Chicago High School for Agricultural Sciences and pay rent for approximately four years. In addition, the OIG found violations of the Code of Ethics concerning Respondent Joel Anderson's secondary employment at Chicago Elite Volleyball Club (§503.1 (XII)(C)-(D)), his conflict of interest in entering into a contract with William Jones College Preparatory High School when having an economic interest in the contract (§503.1 (VII)(A)(1)), and his use of Board resources to perform his secondary employment (§503.1 (XII)(F)). The Chief Administrative Officer has reviewed the record (as defined in section 4.5(10) of the Board's Debarment Policy) and recommends permanent debarment.

Based on the facts set forth in the record as defined in section 4.5(10) of the Board's Debarment Policy, the Chief Administrative Officer recommends that the Board adopt the findings of the Inspector General and permanently debar Respondents from doing any business with the Board effective immediately. All existing contracts amongst the Board and Respondents are terminated. Respondents are also ineligible to act as subcontractors or suppliers to any existing or future Board contracts.

AMEND BOARD REPORT 15-0624-PR17**

**AUTHORIZE THE PRE-QUALIFICATION STATUS OF AND NEW AGREEMENTS WITH VARIOUS
VENDORS TO PROVIDE EDUCATIONAL PRODUCTS**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Authorize the pre-qualification status of and entering into new agreements with various vendors to provide educational technology products and programs at an estimated annual cost set forth in the Compensation Section of this report and authorize a written master agreement with each vendor. Vendors were selected on a competitive basis pursuant to Board Rule 7-2. Written master agreements for vendors are currently being negotiated. No services shall be provided by and no payment shall be made to any vendor prior to the execution of their written master agreement. The pre-qualification status approved herein for each vendor shall automatically rescind in the event such vendor fails to execute the Board's master agreement within 120 days of the date of this Board Report. Information pertinent to this master agreement is stated below.

This April 2016 amendment is necessary to i) add nineteen (19) new vendors to the list of pre-qualified vendors as a result of the Supplemental RFQ issued and ii) delete six (6) vendors for failure to enter into written agreements with the Board. Written master agreements with the 19 new vendors are currently being negotiated. The pre-qualification status of each of the 19 new vendors approved herein shall automatically rescind in the event such vendor fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This June 2016 amendment is necessary to add one (1) new vendor to the list of pre-qualified vendors as a result of the Supplemental RFQ issued. A written master agreement with the new vendor is currently being negotiated. The pre-qualification status of the new vendor approved herein shall automatically rescind in the event such vendor fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This August 2016 amendment is necessary to: i) approve twelve (12) of the pre-qualified Ed Tech vendors to provide supplemental, intervention, and enrichment services, which are referred to as Multi-Tiered Systems of Support ("MTSS"), in Math and Literacy, and ii) increase the funding amount. The 12 vendors approved to provide MTSS services ("MTSS Vendors") were selected through a process for Plans for New Initiatives ("PNI"). The PNI process requests pre-qualified vendors to submit additional information for more comprehensive district-wide initiatives. The pre-qualified vendors approved through the PNI process are:
(Literacy) 2. Achieve 3000; 91. Learning A-Z, LLC; 42. Lexia Learning Systems LLC; 35. Imagine Learning, Inc. (Math) 85. Think Through Learning; 58. Redbird Advanced Learning, LLC; 75. 3p Learning; 42. Apex Learning; 36. IXL Learning Inc.; 78. Explore Learning, LLC. (Literacy and Math) 12. Compass Learning, Inc.; 13. CSC Learning-a division of Computer Services Consulting. All schools will have the option to utilize the MTSS Vendors to provide multi-tiered systems of support. Written amendments to the agreements of these 12 vendors are required. The authority for each of these vendors shall automatically rescind in the event such vendor fails to execute their amendment within 90 days of the date of this amended Board Report.

This March 2017 amendment is necessary to add nine (9) new vendors to the list of pre-qualified vendors for Educational Products as a result of the Supplemental RFQ issued. Written master agreements with the nine (9) new vendors are currently being negotiated. The pre-qualification status of the new vendors approved herein shall automatically rescind in the event such vendors fail to execute the Board's master agreement within 120 days of the date of this amended Board Report.

TERM:

The term of this pre-qualification period and each master agreement is three (3) years, commencing on July 1, 2015 and ending on June 30, 2018 for vendors authorized in Board Report 15-0624-PR17. The term of the master agreement with the nineteen (19) new vendors approved through supplemental RFQs shall commence upon execution and end June 30, 2018. The term of the master agreement with any subsequent new vendors approved through supplemental RFQs shall commence upon execution and end June 30, 2018. The Board shall have the right to renew the pre-qualification period and each master agreement for two (2) additional one (1) year periods.

SCOPE OF SERVICES:

This RFQ is focused on Ed Tech Products as defined in the RFQ. The RFQ does not include Ed Tech Products that would be used as core curricular materials. The Ed Tech Products qualified as part of this RFQ may be delivered in a variety of delivery media including but not limited to secured websites, open access websites, CD-ROM, etc. For purposes of this RFQ, "Products" shall be understood to refer to an Ed Tech Product and "Programs" shall be understood to refer to the Ed Tech Product plus any maintenance or support services, implementation support services and/or training materials and services that are provided at an additional cost to the cost of the Product.

Those entities currently providing products and services to CPS that would otherwise fit the definition of Ed Tech Products as well as those seeking to expand and grow their capacity were encouraged and welcome to respond to the RFQ.

The following ARE NOT included in the scope of this RFQ:

- Technology Assets as described in the RFQ
- Information Systems for management as described in the RFQ
- Computer hardware, unless the Ed Tech Product cannot be de-bundled from the hardware
- Curricular products such as digital textbooks

The Board issued a PNI for MTSS services to the pre-qualified pool. The MTSS vendors will provide products and programs which will personalize and differentiate instruction for every student based on their academic needs and individual learning style to promote accelerated student achievement. The MTSS vendors will provide multiple research and evidence-based intervention, enrichment, and/or supplemental products and programs for students in reading and/or math, in order to substantially increase the success of students in grades K-12, regardless of their performance level. These products and programs will allow students to work at their own level and pace when appropriate. MTSS vendors will be expected to provide/share data both at the local (school/network) and district level in order to determine both efficacy and fidelity. MTSS vendors and the Board will develop benchmarks to monitor implementation and progress.

OUTCOMES:

This approval will result in a pool of pre-qualified vendors to provide Education Technology (Ed Tech) products for purchase by schools. Products provided by these pre-qualified vendors will be vetted for basic technology, security, and legal standards.

Pre-qualified vendors who have approved Ed Tech Products and Programs pursuant to this RFQ will be permitted to participate in expanded opportunities within CPS. These expanded opportunities will be made available to vendors through a process for Plans for New Initiatives ("PNI"). The PNI process requests pre-qualified vendors to submit additional information for more comprehensive district-wide initiatives.

MTSS vendors' services will result in schools being able to provide high-quality instruction and interventions matched to student needs and to view data and monitor progress to make decisions about changes in instructional goals. MTSS vendors' services will also result in math and literacy focused materials and services in either a technical or non-technical framework.

COMPENSATION:

Vendors shall be paid as follows: Estimated annual amounts for the sum of payments to all pre-qualified vendors for the three (3) year pre-qualification term are set forth below:

\$500,000.00 FY16
\$7,250,000.00 FY17
\$7,250,000.00 FY18

The costs associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule 7-8.

USE OF POOL:

All schools are authorized to receive products and programs from the pre-qualified pool as follows: Schools and departments shall select a pre-qualified vendor and evidence such selection by a purchase order for the Ed Tech Products and Programs provided by the vendor and approved through the RFQ process. A directory is being developed that will be available to all CPS schools and departments specifying those pre-qualified vendors and the Products and Programs each has been approved to provide to the Board and how to contact those vendors. The directory will identify the categories of learning experiences that the Products and Programs are intended to enhance as well as other general information about the Product and Program. For the purchases of Products and Programs that have been evaluated for basic technical requirements, purchases are limited to \$25,000 spend limits.

For purchases of Products and Programs that have been selected through the process for Plans for New Initiatives ("PNI"), requests for additional information will be provided to pre-qualified vendors who have Products and Programs that meet the general requirements of the PNI. If vendors wish to have one or more of their approved Products and Programs considered for inclusion in the initiative, vendors may submit a response to the PNI request to be evaluated for quality and alignment of the proposal to the scope of the project. Purchases of PNI approved Products and Programs will be highlighted as vetted for quality in the Ed Tech Catalog and will not be limited to \$25,000 spend limits.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written master agreements and amendments. Authorize the President and Secretary to execute the master agreements and amendments. Authorize the Chief Teaching and Learning Officer to execute all ancillary documents required to administer or effectuate the master agreements, including updating product exhibits.

AFFIRMATIVE ACTION:

No MWBE goals assigned, online software, scope of work is not further divisible.

~~MBE/WBE goals for this agreement are 15% total MBE and 5% total WBE participation. However, pursuant to the Remedial Program for Minority and Women-Owned Business Enterprise Participation in Goods and Services Contracts, MBE/WBE provisions of the Program do not apply to transactions where the vendor providing services operates as a Not-for-Profit organization.~~
